Report on Summer English Course

I have discussed our last summer English Course with my classmates. In total we had a lot of fun there, but here are some topics I want to mention

Advantages

At first, I want to talk about our lessons there. We have gained some skills in pronunciation and ~~learned~~^{studied} wide list of new vocabulary. Also, there were students from all over the world, so we have learned a lot about their countries' culture. Small classes there are a benefit too, because our lessons were more productive. Besides all mentioned, there are a variety of high quality facilities: swimming pools, football fields, tennis courts and so on.

Disadvantages

However, there were some cons as well. The amount of homework we were given was immeasurable. And we agreed, that there was a lack of social activities.

To my mind, it is easy to improve the English Course. Then it will be purely fantastic. Can't wait to visit it next summer and I totally recommend all pupils to attend it.
