I really enjoyed my Summer English course.

I've improved my English and met lots of people there.

First of all, the lessons there were great and I've learned a lot. Both my pronunciation and grammar improved and now I can talk almost fluently.

Secondly, there were students from around the world. I met people from different countries, such as: Sweden, Russia, Germany and even China. We became good friends and we keep in touch since then.

But, other than strengths this course had weaknesses.

Firstly, the classes there were too small and it was difficult to fit in them.

Secondly, there was too much homework. After doing my homework I had no time to do anything else.

In conclusion, even though the course has both weaknesses and strengths, it's still an amazing course, and I would definitely recommend it for other students.
