Writing

Hi Jamie!

I'm glad to hear from you again. How are you?
I'm fine. In my opinion Svetlogorsk is boring. This town it isn't a best variant. But of course we have some interesting places.

At first we have a strange sculpture - Queen frog. That's not very interesting sculpture, because it's doesn't have a story. Also we have a museum of amber where you could find a lot of pieces of amber. The main transport of town is bus. With them you can go in every part of Svetlogorsk. You don't have to get up very early, because we don't have a lot of tourists. The worst part of town is weather.

I will hope that I helped you.

Write me soon,

Ruslan
